

Our community groups

- Fill out the first two columns in the table for yourself to tell about the community groups you belong to.
- Ask questions to find out what community groups another student belongs to.

My community groups		The community groups of another student	
What is the name of the group?	What is the purpose of the group? (what I do there and how it helps me)	What is the name of the group?	What is the purpose of the group? (what they do there and how it helps them)

- After completing the table, come together as a class. List the common groups and what everyone said about the purpose of the group. Do people join groups for the same reason? Are there lots of groups that people join to make friends or meet new people? Do many groups teach new skills? Discuss these things.
